DETAILED ACTION

Allowable Subject Matter

1. Claims 2, 27-36, 50-53, 56, 58 and 62-64 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose curing means for curing said reactive resin, wherein said curing means only partially cures a layer of reactive resin until at least one additional layer of non-reactive powder and selectively-dispensed reactive resin have been formed, said reactive resin then being fully cured so as to promote adhesion between layers of said object. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
